

RadPro 365 Live

An all year round, 24/7 virtual radiotherapy congress and exhibition

Create and design your own virtual exhibition stand and be part of the innovative congress that allows anyone to attend from the comfort of their office, home or even public transport!

View radiotherapy posters and papers, watch presentations, webinars and podcasts and even win coffee to drink while you watch our YouTube channel! Just click on the interactive map to view company booths or the congress zones.
